Shadow hunter

THE SERIES

Shadow Hunter

Shadow Hunter is a 13 part half-hour television series that delves into the fascinating world of the paranormal through the eyes of charismatic parapsychologist Dr. Darryll Walsh.

In each episode Walsh takes the viewer on a journey to explore the history, scientific and cultural relevance of a variety of paranormal phenomena. A dedicated truth seeker, armed with a healthy skepticism and a good sense of humor, Walsh gets to the bottom of everything from vampires and fairies to poltergeists and phantom ships.

Your guide, Darryll Walsh.

EPISODIC SUMMARIES

“FAIRIES”

Fairies didn't start out as the characters in childhood stories... real fairies are far more potent!
